City of San Bernardino Libraries Offering California State Parks Passes for Check Out at All Locations

For the second year in a row, the San Bernardino Public Library is offering its library cardholders free vehicle day-use entry to over 200 participating state parks operated by the California State Parks. Five passes are available at the Norman F. Feldheim Central Library and three passes are available at each of San Bernardino branch libraries.

“Libraries are trusted community hubs where Californians know they can find what they need to work, play, and thrive,” said California State Librarian Greg Lucas. “This partnership with State Parks now allows Californians to ‘check out’ California’s great outdoors at their community library.”

Among the parks eligible for free admission are Orange County beaches, including Doheny State Beach, Huntington State Beach, Bolsa Chica State Beach, and San Onofre State Beach.

Other popular participating state parks include Anza Borrego State Park in Riverside County, Silverwood Lake in San Bernardino County, Carlsbad State Beach in San Diego County, and Malibu Creek State Park in Los Angeles County.

Park passes are available on a first-come, first-serve basis and may be checked out for up to three weeks with a City of San Bernardino permanent library card in good standing. Passes may not be placed on hold or renewed and must be returned in-person during normal library operating hours.

The California State Library Parks Pass is valid for entry of one passenger vehicle with a capacity of nine people or less, or one highway licensed motorcycle.

Some California State Parks are not participating in the program. For a complete list of participating parks, please visit https://www.parks.ca.gov/?page_id=30813
